POWER SUPPLY INTERRUPTION TO RESIDENTS IN AND AROUND NKAWKAW

The Ghana Grid Company LTD. (GRIDCo) wishes to inform residents in and around Nkawkaw Township of a planned work which will require an interruption in power supply being experienced today Friday 12th April, 2024 from 10:00h to 18:00h.

The work is necessary to carry out maintenance on our transmission line from Tafo to Nkawkaw. The maintenance is to ensure reliable power supply to consumers in Nkawkaw, its surrounding areas and the northern parts of Ghana.

GRIDCo apologises for the inconvenience caused and assures the residents of Nkawkaw that efforts are being made to restore power to the township in the shortest time possible.

Issued by:

Dzifa Bampoh
Manager, Corporate Communications Section.

Note to Editors:

Ghana Grid Company LTD. (GRIDCo) was incorporated in December 2006 to carry out the economic dispatching and transmission of electricity from facilities of wholesale suppliers (Independent Power Producers [IPPs]) to bulk customers and distribution utilities in Ghana and West Africa. The Company became operational on August 1, 2008, following the transfer of the Transmission System Department and its core staff from VRA to GRIDCo. It operates the National Interconnected Transmission System (NITS). GRIDCo currently transmits electricity to thirty-one (32) Bulk Customers and Distribution Utilities from eleven (11) Wholesale Suppliers, including the Volta River Authority (VRA).
