**DAY 2 - POWER SUPPLY INTERRUPTION – NKAWKAW AND SURROUNDING
AREAS.**

The Ghana Grid Company LTD. (GRIDCo) wishes to express its gratitude to residents in and around Nkawkaw for their cooperation during the period of power outage today to enable us to carry out planned work on the Tafo – Nkawkaw line.

We wish to inform that our engineers will work to complete the maintenance tomorrow Saturday 13th April 2023. This will require an interruption in power supply from 09:00hrs to 15:00hrs.

The work is necessary to complete the maintenance work on the transmission line.

GRIDCo apologises for any inconveniences caused.

Note to Editors:

Ghana Grid Company LTD. (GRIDCo) was incorporated in December 2006 to carry out the economic dispatching and transmission of electricity from facilities of wholesale suppliers (Independent Power Producers [IPPs]) to bulk customers and distribution utilities in Ghana and West Africa. The Company became operational on August 1, 2008, following the transfer of the Transmission System Department and its core staff from VRA to GRIDCo. It operates the National Interconnected Transmission System (NITS). GRIDCo currently transmits electricity to thirty-one (32) Bulk Customers and Distribution Utilities from eleven (11) Wholesale Suppliers, including the Volta River Authority (VRA).
